It must, how Tuition Fees From A Registration As Pictured Will Meet The Deficit ever, meet competition to a sufficient degree to maintain the character and grade of the institution. Any other course would be a fraud upon students and the community. To sum up, the University must have an increase of income of approximately \$200,000 per annum to enable it to balance its budget, to take care of the increased salaries necessary, and to maintain its natural growth. It seems to me that there has been a general agreement to this necessity, and that all discussion has revolved around the source from which such addition to income could be obtained. To my certain knowledge, this question of increasing the University income beyond the earnings of the endowment has been...
