Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Indiarubber and Pneumatic Tyre Factories In the first place, I wish to express to our esteemed secretary and the office-bearers generally my thanks for the privilege of reading this paper before you. Prior to taking up the subject at the request of the former gentleman, my ignorance of it was simply colossal, whatever it may be now, and therefore, whether or not anything that may be said to-night gives information to the hearers of it, it is certain that one person has derived benefit by the acquirement of the knowledge, little though it may be, necessary for the writing of even the baldest and worst possible paper on a subject even now of very great interest and likely to be of even more interest from a commercial point of view as time goes on. As far as I am aware, this is the first paper dealing with the manufacture of rubber in its fire insurance aspects, and I intend, therefore, to take the liberty of making it, as far as I can, exhaustive, even at...
