Jove Books. Paperback / softback. Book Condition: new. BRAND NEW, The Traffickers, W E B Griffin, William E Butterworth, Griffin's popular Badge of Honor police series returns, with a story of murder and lawlessness as compelling as today's headlines. Just as with his remarkable military novels, millions of readers have been captured by the rich characters and vivid realism of W. E. B. Griffin's police dramas. [Griffin has the knack, [writes "The Philadelphia Inquirer." [He sets his novel before you in short, fierce, stop-for-nothing scenes. Before you know it, you've gobbled it up.[Homicide Sergeant Matthew Payne is used to murder, but lately there's been an awful lot of it in Philadelphia. A gangland shooting in a popular tourist location has left six dead, most of them innocent bystanders, and days later the body of a headless Latina turns up in the Schuylkill River. Everybody assumes they're not related, but Payne can't shake the hunch that there's something more to it[and that hunch leads him far from the City of Brotherly Love to the Texas[Mexico border. There, he finds a world where the lines of law and order are murkier than he ever imagined possible, and the daily question is ["O Plato o Plomo"?[Silver or lead. Cash or death. Which will Matt Payne take? Or will he just go home, glad to be alive . . . ? Filled with authentic color and detail, this is a riveting novel of the men and women who put their lives on the line, from the cop on the beat to the commissioner himself. It's a story of fears, dangers, courage, loyalty, and genuine heroism: storytelling at its best.
