

Reconstructing Mayakovsky: A Novel of the Future (Paperback)

By Illya Szilak

Revolution Nostalgia Disco Theater, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in the future, Reconstructing Mayakovsky revisits the past to make sense of our chaotic present. Inspired by Vladimir Mayakovsky, the Russian Futurist poet who killed himself in 1930 at the age of thirty-six, the novel imagines a dystopia where uncertainty and tragedy have finally been eliminated through technology. Ever since her memories of the War were erased, Vera X has led a complacent existence designing advertisements. After a meteorite falls to Earth, an unanticipated, random event, her tightly controlled life begins to unravel. She, like others in OnewOrld, a virtual reality dystopia, begins to hear voices from the collective past. Mayakovsky's passionate, rebellious words captivate Vera. In her quest to reconstruct him, she enlists the help of Nadja, an aloof academic with access to classified historical records. Motivated by the need to make sense of her newly chaotic world, Vera embarks on a classic hero's journey in which she discovers that love and freedom inevitably carry with them the potential for tragedy. Along the way, the two encounter other outcasts from OnewOrld:...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
