Magnificent Milestones Incorporated. Paperback. Book Condition: New. Paperback. 190 pages. Dimensions: 10.0in. x 8.0in. x 0.4in. Few things are more exciting - or complex - than choosing a child's name. The stakes are incredibly high; this beautiful child, who has no say in the matter, must live with your decision for the rest of his/her life. Even worse, you must make that decision before you know your baby's personality and temperament, which determines whether or not the name you have chosen will truly fit him/her. This book presents more than 5,000 names in a logical manner, to help you choose the name that is truly right for your baby and your family. It omits the unnecessary details that bog down most books, such as esoteric choices from 200 years ago and 20 different spellings of the same name. Instead, it presents every name (and meaning) in practical groupings, to show you various alternatives that might work for your family.
