INDIGO GLOW: POEMS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A poetic manifesto for the new world's next generation. Based upon the new age myth of the indigo aura and the stories of those who bear that aura being newly incarnated in this world - from an unknown realm - with the sole purpose of illuminating this plane of existence, Indigo Glow shines through with the sensations of its namesake. Skirting the borders of reality in an attempt to illustrate the poet's exotic feelings, it is a wealth of mythological symbolism and a beautiful vision of unknown existences. Perhaps, by its end, the indigo auras will have completed their task here and will be prepared to leave this world to their mythological counterparts: the crystal children.
