

## More Than Skin Deep Skin Health Activity Handbook Strive to Thrive

By Terrific Science Press

Terrific Science Press. Paperback. Book Condition: New. Paperback. 93 pages. Dimensions: 10.7in. x 8.3in. x 0.3in. This teen-friendly, magazine-style activity book challenges teens to explore important and timely skin health issues that they confront in their daily lives. . . including the important fact that people of all skin shades can be harmed by UV radiation and need to know how to protect themselves. More Than Skin Deep! is designed to draw teens families and friends into discussions on this important topic. More Than Skin Deep! features hands-on activities (using readily available materials), magazine-style readings, thought-provoking questions, and games and puzzles. More Than Skin Deep! is a great resource for self-directed learning in informal settings such as science clubs, youth organizations, and after school programs. The book includes a weblink to free online games, puzzles, and opportunities to learn more about indoor pollution. Breathing Room is also a fantastic supplement for middle and high school teachers of science or health who are looking for fresh materials to spice up their curriculum. The book includes a weblink to National Science Education Standards. The Strive to Thrive series includes four other titles. This item ships from multiple locations. Your book may arrive from...
