AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.They were young yes, but too young to know the ways of the world. Yet, they were too old to be teenagers. Little did they know the innocent chat room they started a few years ago would lead them from the safe, small world of which they were used to, to a journey of space and time travel. Forcing them to face reality. Reality that was changing faster than they could have ever imagined. J.R. and his two on-line pals, Hawk and Patton, had allowed Hailey to join their chat room they affectionately called the War Room Online, the last place you would ever expect to meet someone from the future. One hundred years in the future and if that wasn't enough, she's a descendant of an alien. An alien who just happens to need their help. Help in getting back his home planet. A planet in which he just happens to be an exiled ruler who wants his title back. No challenge too big or too small for these War Lords.
