# LEARNING TEAMS

VDM Verlag Feb 2010, 2010. Taschenbuch. Book Condition: Neu. 222x152x13 mm. This item is printed on demand - Print on Demand Neuware - We have intuitive knowledge that more heads are better than one in instructional decision-making, now we have empirical evidence. The traditional model of faculty development is workshops and one-on-one consultations. Situated learning theory suggests we move out of the classroom and into authentic, collaborative, problem-based work situations. This is what learning teams do. Learning teams emphasize collective...
