

Corporate Governance in India

By Sunita Sharma

New Century Publications, New Delhi, 2009. Hardcover. Book Condition: New. First. 14 cms. 262pp. This book gives an insight into corporate governance practices in India. It expounds semantics of governance and tenets of corporate governance. It demonstrates corporate governance objectives, strategies, policies, ethics and disclosure practices in India. It also traces evolution of corporate governance in India. Aspects of corporate governance examined in the book include, inter alia, shareholding patterns, CEO duality, CEO pay and performance, role of nominee directors, multiple directorship, board committee membership, performance appraisal of board members, remuneration of directors and CEO succession planning. A distinguished feature of the book is the comprehensive analysis of corporate governance practices sector-wise, on the basis of director typology and relationship between various attributes of corporate governance and the financial performance of the companies.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
