Excerpt: . . . 12 retirement age for powerful political constituencies. It is a one-size-fits-all scheme that exacts a price in human happiness. The USA system, on the other hand, allows for individual preferences to be trans-lated into individual decisions that will produce the desired outcome. In the branch offices of many AFPs there are user-friendly computer terminals that permit the worker to calculate the expected value of his future retirement benefits, based on the money in his account, and the year in which he wishes to retire. Alternatively, the worker can specify the retirement benefits he hopes to receive and ask the com-puter how much he must deposit each month if he wants to retire at a given age. Once he gets the answer, he simply asks his employer to withdraw that new per-centage from his salary. Of course, he can adjust that figure as time goes on,...
