Alicia, who has been helping parents and their children conquer this habit for years, has written an easy-to-read seven-day guide on how to do this. The book uses the latest thinking from the fields of positive psychology, NLP and hypnotherapy. It is the second edition of what has already proved to be an extremely popular title, with nearly 20 success testimonials from parents on Amazon, including the following: "We're so grateful for this book. In 18 months our son has not had any accidents since completing the programme. It did stop. This works" "This book is fantastic. Alicia Eaton has great insight into the problems people endure and reading her words alone are a comfort" The book explores and explains the issue of bedwetting and guides readers clearly through each step.
