Open marriages are far better than the traditional closed monogamous marriage Women around the world have been finding out a new way to spice up the bedroom without having an affair. It s something that their husbands definitely approve of, and it doesn t have to cost much. Wouldn t you like to know what it is? This compilation of womens letters gives you a sneak peek on what it s like to have an extra hand when it comes to giving a little jump back to their marital relationship. The author shows us that women aren t far behind men in fantasizing for another person in their bed - together. Will it actually work or will this certain method actually break marriages apart in the long run? Sample 1: I guess you must be surveying several of us who have corresponded over the years about threesome fun. I had always been a rather traditional wife, not even willing to entertain thoughts of being intimate with any man other than my Harry. When Harry suggested (one night while he had me in orgasm heaven) that he would like to watch another guy hump me, I thought he was absolutely crazy. After much cajoling, I finally let him take me to an adult motel where he had another guy meet us to give me a massage. Sample 2: Actually, we have now done this several times over the last two years. I have learned to fully enjoy all that my body has to offer in the way of multiple pleasures. I have even begun to take charge of my life more than ever before. Sure, I still...
