Of the use of social science research methods. from a different point of view of history and reality. between the West and China. theory and practice. and discuss the judge's professional orientation. social functions and the establishment of system problems. As the author said. The judge is the holy man living in the parable. is social in social relations. natural persons personality factors. however. its main role is to uphold the laws of the legal person. The book made a comprehensive analysis of the five conflict throughout judge system constructed relationship. Summary judge both the people living in the parable of the sacred. but also the social reality social. or by natural persons personality factors. However. its main role is to uphold the laws of the legal person. Judges' begins to judge the historical picture as a judge in the construction of several key conflict as the main line. and as the main legal pragmatism. conflict theory and multidimensional analysis theoretical analysis tools. trying to reveal the true face of the judge. Thus perspective judge itself the law and the judicial system is working as far as possible. to find a theoretical roots in order to better define the role of the judge in the proceedings. for the operation of the judicial power conflicts; reasonable positioning of the...
