Apocalypse Rising: Chaos in the Middle East, the Fall of the West, and Other Signs of the End Times (Paperback)

By Timothy Dailey

Baker Publishing Group, United States, 2016. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. A Revealing Look at the Signs of the End Times After decades of researching biblical prophecy, bestselling author Timothy Dailey warns that end-time events are closer than we realize. Connecting the dots between history, archeological findings, first-hand accounts, and Scripture, Dr. Dailey shows that malevolent forces are converging to trigger the end of human history. He reveals: - the hidden activity of Gog and Magog over the millennia - worldly portals opening for the Antichrist - counterfeit signs and wonders - and much more Yet under the shadow of the apocalypse, the world is witnessing an unprecedented spiritual revival and outpouring of the miraculous. It's time for us to read the signs and take a stand, knowing that Jesus has promised to be with us to the end of the age.
