Excerpt: . . . that statistics covering a period of five years show 4 suicides per year to each 100, 000 persons in the Philippines, as against 14 to each 100, 000 in the United States. TUBERCULOSIS. Dr. Fernando Calderon, professor of obstetrics in the Philippine Medical School, and Dr. Victor G. Heiser, director of health, were appointed by the Governor-General to represent the Philippine Islands at the International Congress on Tuberculosis, which opened at Washington, D. C. , on September 21, 1908. Upon their return these gentlemen submitted recommendations relative to the policy to be pursued in the Philippines, which were strongly indorsed by the Philippine Medical Association and have, in effect, been adopted by the government, which has appropriated 335, 000 for experimental work along the lines suggested, provision having been made for opening a tuberculosis dispensary in Manila, with a trained nurse in attendance and another...
